EasyFill AB (publ.) – Another order of RotoShelf Multi.

EasyFill AB has received an order of RotoShelf Multi to the biggest producer of tobacco products. The order is a repeat order and the RotoShelf units will be mounted in cabinet coolers from the Finnish manufacturer Porkka.

The order value is relatively low, but the big positive is the fact that it is a repeat order.

The cabinet coolers are manufactured by Porkka in Finland where the installation also will take place.

CEO comment

”Another order is very satisfying and it is pleasing to realize that our products are even more flexible than we thought when Sweden’s largest tobacco producer choose our solutions.

As mentioned earlier EasyFill has a booth at Euro Shop in Düsseldorf February 16 to 20th. We will be showcasing our complete product range, among others, we will be displaying RotoShelf Multi for several producers of coolers worldwide..
