

Lantmännen buys shares in Taurus Energy

Today December 4th 2015 Lantmännen economic association bought shares in Taurus Energy AB in accordance with the conditions set in the investment memorandum published November 27th 2015 (available in Swedish only).

Lantmännens purchase comprises 3 086 419 A shares at a price of 1.62 SEK per share. The purchase adds about 5 million SEK of capital to Taurus Energy for use in further marketing activities and product development.

About Taurus Energy AB

Taurus Energy AB is a research and development company, which aims to commercialize its extensive research and development program in the field of ethanol production. Since 2006, the company's mission has been to license energy producers to use the methods developed by the company on a global market. Taurus Energy holds over 10 world-leading patents, which have been developed with the help of around 20 internationally recognized scientists. Taurus Energy is listed on the Aktietorget equities market. For more information, please visit www.taurusenergy.eu
